Jewel® Design: Spaccanapoli

Se  
ci fosse una capitale  
dell'anima, a metà tra  
oriente e occidente,  
tra sensi e filosofia,  
tra cuore e imbroglia,  
avrebbe sede qui.  
Nel mezzo della città  
si apre via Spaccanapoli,  
un rettilineo di più di un  
chilometro stretto e  
vociante, che divide in  
due l'enorme agglomerato.  
È il cuore di questa  
babele della storia.

(Stanislaw Nievo)
